Personal Branding Workshop:

We were excited to have **Mark Linder**, General Manager of MillerCoors, return to provide our students with his expertise on personal branding! At this event, Linder talked about identifying your brand and how we want others to see us. Attendees also completed a handout about their personal brand, highlighting our attributes, timing, social opinion, and results we add. It is important to find your hero that will support you in your career development and help you identify your brand in order to find a job that will add value and highlight your strengths!

Young Professional Panel: Five SHRM SDSU Alumni: **Jennifer Dar, Marie Huerta, Casie Martinez, Ryan Prout, and Patricia Rosiles** returned to talk about how they landed their job. Through a series of Q&As, students learned about the transition from being a student to becoming a professional and entering the workforce. The panelist also talked about how SHRM SDSU has helped them with their career, the importance of networking and making connections, as well as advice on what to do NOW.
