HOW DID COVID CHANGE SHRM SDSU?

Spring 2020 ended abruptly with all of us adjusting to a new "normal" including SHRM SDSU. Unfortunately, we had to cancel the Speed Mentoring Event due to COVID. However, for the rest of the Spring semester, our extraordinary officers were able to coordinate a Conference Workshop, two Chapter Planning Meetings, and Fall 2020 Officer Elections all virtually. Thank you Spring 2020 Officers for your remarkable ability to adapt to sudden changes.

This semester, Fall 2020, we are pleased to announce that SHRM SDSU is continuing our Speaker Events and Chapter Planning Meetings virtually at 4 PM PST via zoom. Additional information can be found on our website, shrmsdsu.com, we hope to see you on zoom!

Welcome to SHRM SDSU's Fall 2020 Kick-Off Event!

This meeting is
being recorded.

VIRTUAL FALL 2020 KICK-OFF

September 8 2020

SHRM SDSU got off to a good start with our virtual Fall 2020 Kick-Off event. We shared valuable information with our members and prospective members of our plans for this virtual semester as well as the benefits of being part of our chapter. We look forward to this semester and all it has to offer.

A big thank you to our Executive-in-Residence, Andy Esparza for speaking at our Kick-Off Event and our extremely supportive alumni for sharing with us their perspectives on the benefits of joining SHRM SDSU and their real-life experiences. We appreciate your constant support for our chapter!
